Authorization for this examiner's amendment was given in a telephone interview with Paul White on February 2, 2004

The application has been amended as follows:

In claim 1, the term "H₂O," has been deleted.

In claim 13, the dependency to claim 10 has been changed to claim 1. In addition, the term "polymer" has been changed to -- substrate --.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
